

PACK THE PANTRY

ACCESS @ TALLAHASSEE
A PROGRAM OF THE GREATER TALLAHASSEE CHAMBER OF COMMERCE

BAG SPONSORSHIP FORM

During the school year, economically disadvantaged students are provided groceries to take home to their families, but once school breaks for the summer these resources become more limited. It is our goal to provide these students with a bag of groceries to take home for the beginning of summer vacation.

We've partnered with a local wholesale food supplier and have determined that each bag of groceries is valued at \$25. We are asking for Access Tallahassee members and the business community to help in providing each student with a bag to take home by sponsoring this initiative.
